## PRESIDENTS MESSAGE

As we move into the middle of the year, I am reminded of how fortunate we are, and so thankful for all the years of hard work the community has done to create and keep our beautiful lake, swim area, wonderful beach area, community area, picnic areas, playgrounds, fishing docks, off-road trails, hiking trails, community center and all the lakes areas in shape and advancing.

With that being said, we all have to remember this doesn't just appear. Men and women have volunteered a lot of time and money to help make this all happen. In return they and their ancestors get to enjoy this wonderful place for years to come. So let's continue this community spirit and PLEASE feel free to contact the board or the office with any ideas you have or spare time to help with a group or event.

We need to work to get these events and tasks done. Lets find some things that more family's can participate in, while honoring our Cedar Lake forefathers by continuing this wonderful tradition. Because before we know it summer will be gone and we are left wondering what happened to all the things we used to do around here.

As our community is growing to new levels, we are always on the lookout for people to help in numerous ways, whether you lead a group, a committee, volunteer labor, help serve drinks to those working, advise or get on the board. Let's all just add value to the community.

Thank You

Steve Peck  
President
