### PRESIDENTS MESSAGE

We have had a great summer and now the kids are back in school and we are getting ready for winter and the holidays. Let's all remember it will get cold and we need to be prepared for it. This might be that reminder to get the house, well and property ready.

Around the lake we have had a few changes lately also. David Oxford has resigned from head of maintenance, he will be sorely missed as has dedicated years keeping the lake and property looking and functioning very well. Thank you for all you have done that we saw and especially all the things we never had to think about.

We also are no longer using Wilson Security at the lake. Bobby Kirkland is now overseeing us at the lake and the phone number is still the same as it has always been (405) 284-6814. We will soon be having the annual meeting where we elect the board and vote on changes to important things like budgets and changes so watch out for that.

On that same idea, please help your community and consider running for a board position and turn in ideas you think would improve life at Cedar Lake!

Thank you  
Steve Peck
