Presidents Message

I want to thank Steve Peck for his leadership. The outgoing Board did a wonderful job and accomplished so much. I also want to thank all the other outgoing Board members. As the incoming President, I look forward to working with the new members.

I've often heard the phrase, "WSC needs to do something about that." Folks, YOU are WSC. If you have concerns, bring them to a monthly meeting after getting on the agenda. My first question then will be, "What part are you going to play in coming up with a solution?" I welcome new ideas, but the Board is not at the shareholders beck and call. We need to work together on pertinent projects, and I believe we will need to prioritize them so we can get them accomplished.

I am assuming this letter will be received after the holidays. I hope everyone had a Merry Christmas, and I look forward to a prosperous New Year

Joseph J. Norwich Jr.

Message from Steve Peck

I would like to thank the community for giving me the honor to serve as President of the Board of Directors for Western Sportsman Club at Cedar Lake.

It has been a true pleasure to join with all the other board members, whole community and staff to complete the last two years!

I would like to welcome the new board, who I am confident will continue our efforts to promote the growth and harmony we have all enjoyed.

To the new board welcome and thank you for all the achievements that are coming!

Steve Peck

Board of Directors Meetings

WSC's Board of Director Meetings is the second Friday, of each month, at 7:30pm in the Activity Center. Come to the meetings and see what's happening in your community. **If you would like to be on the agenda, submit a request to the office, before 12:00pm on the Wednesday before the meeting.**

STOCKOLDER MEETING

This is 2 years in a row now that we have not had an Annual Stockholders meeting because we haven't had a quorum. The quorum just needs to be 1/3 of the stockholders in good standing. We should be able to reach this number easily, but it seems like people have lost interest. It is very important that we have this meeting every year to discuss and vote on important issues regarding Cedar Lake. We hope that with new people coming in, we can generate interest in the community for the next meeting.
