

DUMP HOURS

THE DUMP HOURS HAVE MADE A SLIGHT CHANGE.

Please take note that the dump will now be open from 3 to 6 on WEDNESDAY, instead of Thursday

Wednesday – 3:00 to 6:00

Saturday – 8:00 to 5:00

DOCKS

Winter time is a great opportunity to clean up your dock space. Most grass, plants, and weeds have either died or gone dormant. Your dock space needs a dock sign with the correct number to that dock space posted.

Just a reminder, if you go into collections you immediately lose that dock space and anything that remains in that space. So, if you think you are about to go into collections, my advice would be clear out your space of personal items! Once that dock space is signed away to a new owner anything left becomes their property.

And finally, thank you for keeping your spaces looking so nice. Be sure to welcome any new neighbors in your area! You never know that neighbor may mow your space while they are doing their own.

Thank you, Derek

The Board is asking all the stockholders to please install cameras on their property. The only way we are going to catch the thieves is to get pictures of them. Security systems are fairly cheap now, and easy to install, or you can use game cameras.

BOARD MEETINGS

Shareholder participation is welcome at the end of each Board meeting. This is to bring questions or ideas up for discussion. If someone has a problem or complaint, then others can offer an idea for a solution. (Be reasonable) Be respectful of others issues, questions and ideas.
