Presidents Message

Friends and Neighbors

I pray you are all staying cool in the (hopefully) waning days of this gruelingly hot summer. I hope that Autumn air and plentiful rain are in the near future to refresh our minds and our gardens. In these harder seasons of life, I pray the Lord will bring us together in strength, endurance, truth and love.

Our monthly meetings are always on the second Friday of the month, 6:30 pm, at the office. We hope to see you and yours there! If your neighbors are new members of our community, please invite them to join us also as we strive to build a better Cedar Lake. May the Lord bless you and keep you!

Zach Lamb

We also need a few volunteers to help out at the meeting to count ballots. Please see Nancy at the office.

If you would like to be on the Board, come to the office and fill out a nomination form. We need fresh faces on the Board!!

With the water being so low in the lake, now would be the perfect time to clean your dock area and do any repairs that need to be done to your dock.

Also, the Holiday season will be upon us before you know it. So now would be the time to start planning any activities for the kids for Halloween, Thanksgiving or Christmas

It is that time of year again! Please make sure to winterize your house for the next few months as the temperature drops. They are predicting a hard El Nino this year. Lots of moisture. And don't forget about your wellhouse!
